Ecce , novum gaudium
Ecce, novum mirum!
Virgo parit filium
Quae non novit virum
Sed ut pirus primum
Gleba fert papyrus
Florens liliū
Ecce quod natura
Mutat sua iura!
Virgo parit pura
Dei filium

Voyez, une grande joie
Voyez, un nouveau miracle
Une vierge pure porte un fils
Tout comme un arbre donne son fruit
Comme des tiges du papyrus émergent les
lys
Voyez comme la nature transcende ses
propres lois
Une vierge pure porte en elle le fils de Dieu
